

Cakeboards

Cake Decorations from

Mary Ford

CAKEBOARDS SERVING THE INDUSTRY FOR OVER 50 YEARS

From a small beginning in London, Cakeboards Limited has grown to become one of the most prominent names in the cake manufacturing and sugarcraft fields.

HISTORY OF SUCCESS

Cakeboards was founded in the 1940's and made a Limited company in 1953, it then became a member of the Boxes Group of companies a few years later. Initially manufacturing only cake drums and cards for a few large customers, growing into one of the largest suppliers in the U.K..

In the 1960's Mr Heester Snr, joined the company as Sales & Marketing Director and introduced a range of cake decorations and wedding mascots, along with our first full colour catalogue. Since that time our range has grown into the comprehensive selection you see here.

MARY FORD

Cakeboards Limited, acquired Mary Ford Limited in June 1992. Being a famous and highly respected company it was felt that the name should be retained and we have done our best to ensure a continuation of the tradition of quality and service associated with Mary Ford.

SALES AND MARKETING

Situated in Dace Road, London, the Sales Director Mr John Heester continues his father's work, directing the sales force covering the whole of U.K. Mr Heester is also responsible for development of the product range and advertising. He is assisted by Mr Glenn Jeffery, the National Sales Manager.

Wedding

THE FACTORY

Production and distribution are located at our premises in Burnley, Lancs. The factory comprises approximately 120,000sq. ft. of manufacturing and warehouse space and employs just under 100 people. The Production Director Mr Neil Hodgson is responsible for the day to day running of the factory, which also includes the accounts, order processing and customer service.

THE BOXES GROUP

Cakeboards Limited are one of the largest manufacturers and suppliers of cakeboards, cake decorations and specialist sugarcraft equipment in the U.K.

Boxes Limited and Edson Printers Limited are jointly very successful folding carton manufacturers. Similarly Kelvin Fenton (Packaging) Limited is highly skilled in the production of machine and hand-made specialist rigid boxes for the stationary and gift trade.

The Boxes group of companies are now part of the Clondalkin Group P.L.C. which is a successful international producer of specialist print and packaging products with manufacturing facilities in Great Britain, Ireland, Netherlands, Switzerland and the United States of America.

Each subsidiary operates autonomously in its own Market Sector with a focus to provide superior value to its customers.

Total group turnover is around £230 million and has continued to grow steadily throughout the difficult trading years of the early 1990's.

LARGE COMPANY CAPABILITY - INDIVIDUAL SERVICE

Despite the growth we have retained a "small company" attitude in our relations with customers, personal service being one of our major strengths.

Whatever your requirements you can rely on a friendly response from your local representatives and our helpful staff in Burnley and London.

Above you will see a small selection of Header Packs and our Clam Bubble Packs. All Header Packs packed in plain boxes for hanging and not for being displayed in our Display Boxes start with the prefix HE- or LE- in our Price List. You will also find that there is a number of Header Packs in our attractive Display Boxes if a hanging fixture is unavailable. The prefix of our Clam Bubble Pack is CP- These are sold in plain boxes for display. The Clam Pack is an attractive more eye-catching way with little extra cost to display. Both types of packs cover Wedding, Birthday and Christmas. See Price List for full details.
